To The Moon and Back by Jill Mansell

Ellie Kendall doesn't want to be in her beautiful new flat in Primrose Hill. Her husband Jamie was killed in a tragic accident, and she'd much rather be with him in her much less glamorous old flat. But Jamie's gone and Ellie has to make the best of her new life, or at least that's what everyone keeps telling her to do.

She's found a new friend, outrageous former girl band member Roo, and her film star father-in-law is finding plenty of reasons of his own to visit the flat he's bought for her. Plus she has an attractive new boss Zack McLaren, although much to his disappointment Ellie seems more interested in his time-share dog Elmo.

But what Ellie doesn't tell them is that she still speaks to Jamie....

Full of Jill Mansell's trademark warmth and humour, *To the Moon and Back* is the perfect romantic read!

Jill Mansell is our SW Writer Profile this month too - read an interview with her here.
